## AIMS AND SCOPE

European Journal of Rheumatology (Eur J Rheumatol) is an open access, peer reviewed journal committed to promoting the highest standards of scientific exchange and education.

European Journal of Rheumatology is a continuously published journal in English. The journal has transitioned to continuous publication starting with Volume 12. Articles are published in four issues per year (January, April, July, October), with each issue gradually filling throughout the year as new articles are published.

The aim of the European Journal of Rheumatology is to cover various aspects of rheumatology for its readers, encompassing the spectrum of diseases with arthritis, musculoskeletal conditions, autoinflammatory diseases, connective tissue disorders, osteoporosis, translational research, the latest therapies and treatment programs. European Journal of Rheumatology publishes original articles, invited reviews, case based reviews, letters to the editor and images in rheumatology. The publication language of the journal is English.

The journal's target audience includes academicians, practitioners, specialists and students from all disciplines of rheumatology.

European Journal of Rheumatology is currently indexed in Web of Science-Emerging Sources Citation Index, PubMed Central, DOAJ, EBSCO, CINAHL, CNKI, Gale, and TUBITAK ULAKBIM TR Index.

European Journal of Rheumatology adheres to the principles outlined by the guidelines of ICMJE, WAME, EASE and COPE.

All published content of the European Journal of Rheumatology is available online at [eurjrheumatol.org](http://eurjrheumatol.org), free of charge.

Statements or opinions expressed in the manuscripts published in the European Journal of Rheumatology reflect the views of the author(s) and not the opinions of the editors, the editorial board and the publisher; the editors, the editorial board and the publisher disclaim any responsibility or liability for such materials.

European Journal of Rheumatology is an open access publication and the journal's publication model is based on Budapest Open Access Initiative (BOAI) declaration. Journal's archive is available online, free of charge at [eurjrheumatol.org](http://eurjrheumatol.org). European Journal of Rheumatology's content is licensed under a Creative Commons Attribution-NonCommercial 4.0 International License.

The journal is printed on an acid-free paper.
